COUNTERFEIT PARTS PREVENTION STATEMENT

JFW Industries, Inc. understands the growing problem of counterfeit components that is plaguing the electronics industry and is committed to obtaining only the highest quality products for our customers.

JFW has notified all suppliers and implemented anti-counterfeit procurement measures to effectively address the problem of counterfeit parts in the supply chain.

JFW purchases product through Original Component Manufacturers (OCM) or companies such as approved distributors or authorized resell organizations that are reviewed and approved by the OCM.

JFW reports all occurrences of counterfeit parts, as appropriate to manufacturers, customers, GIDEP, and criminal investigative authorities.
